PROJECTS

Wrirk.com

- It is a website that provides Academic research paper writing assistance For Ph.D. Students.
- I contributed to this website by designing the web pages of this website with the use of programming languages like React js, HTML, CSS, Node js, Bootstrap 4 and Semantic-ui.

Mathuraproperty.in

- It is a website that sales property in Mathura and Vrindavan.
- The contribution to this website was to design its pages and layout by using HTML, CSS, and Bootstrap.

Edufever.com

- It is a website that supports students to get admission in the MBBS, MD, MS and other medical courses and diploma world widely.
- My contribution to this website is to create and update the SEO optimized content for its web pages by using the SEO terms like Keyword Density, Focus Keyword, Meta Description, Title, Heading, Paragraphs, optimized images, keywords etc.

Blog.rmgroun.in

- It is a blog website that provides the complete details to the student about the MBBS, MD, MS and other medical courses and diploma, fee structure, and colleges world wide.
- My contribution to this blog is the same as edufever.com . I like writing SEO optimized and latest information about the colleges, courses, fee structure etc.

Kalpresearchwork.com

- It is a website that provides Academic research paper writing, Thesis Writing, Research Proposal, Book Writing, Book Publications, and complete Ph.D. assistance to the Scholars.
- I contributed to the website by developing and designing its pages with the use of Wordpress, its plugins such as Elementor, Contact Form 7, Essential Addons etc.

Kalpsquadgroup.com

- This is the website under which three projects work. These projects are Kalp Research Work, Kalp Laboratories, Journal of Medical & Applied Science (for paper publication).
- I developed and designed this website by using Wordpress and its plugins like Elementor, WP Forms, Essential Addons etc.
